## **HAS POWER, WILL TRAVEL**

The compact, lightweight Orbit speaker system is an ideal companion for your favorite MP3 player or music-enabled mobile phone when you want a break from headphones. Or slip it out of a pocket or purse for an attention-getting way to share your tunes anytime, anywhere. The full-bodied, 360-degree sound will make your friends wonder where the speakers are. And with its long battery life, the music keeps playing long into the night.

### **Sound clarity with depth**

Excellent musicality is powered by acoustic taylorling.

### **Fusion360 technology**

Integrates a cone design with a custom-built Altec Lansing speaker to project a 360-degree sound field.

### **Long battery life**

Plays for up to 24 hours on 3 AAA batteries.

### **Shock-resistant**

The rugged Orbit is durable enough for the most intrepid traveler.

### **Personal configuration**

Place the Orbit on its edge for directed, more personal listening.
